

Sponsor A Classroom

Classroom sponsors are a vital part of our Always Reading program.

Thanks to a public-private partnership with the Hawai'i Department of Education, their funding allows you to Sponsor a Classroom for the year at half the price. Your \$5,000 investment provides the full Always Reading program to 15-20 families which includes tablets, data connections, digital library access, hard-copy books, and the support of a Book Coach.

Sponsorship Benefits

- ✓ Access to exclusive sponsorship events and opportunities
- ✓ Mid-year and year-end impact reports from the Always Reading program
- ✓ Stories from participating families and teachers
- ✓ Recognition on Always Dream website and in communication materials

"We already had a reading component in place as part of daily homework...Now that we have added [the digital library] as an additional resource for families, I have noticed that more families are bringing back their reading logs entirely filled out for the month since they now have access to more books."
